Financial trading has large potential rewards, but also large potential risk. You must be aware of the risks and be willing to accept them in order to invest in the financial markets. Don't trade with money you can't afford to lose. This is neither a solicitation nor an offer to Buy or Sell in the financial markets. No representation is being made that any account will or is likely to achieve profits or losses similar to those discussed on this web site or in any live voice chat room or forum. The past performance of any trading system or methodology is not necessarily indicative of future results. Financial trading Involves Risks and You Can Lose a Lot or all of your Money. Hypothetical or simulated performance results have certain inherent limitations. Unlike an actual performance record, simulated results do not represent actual trading. No representation is being made that any account will or is likely to achieve profits or losses similar to those shown or discussed on this site.

Please note that trading is a risky business. You may lose your entire investment capital and more. Financial Trading may not be suitable for everyone. All speculative trading involves substantial risk as well as a potential for profit. In order to trade successfully you must be financially and psychologically prepared to accept losses.

Only risk capital, that is, money you can afford to lose, should be used. The risks associated with financial trading are substantial.

We do not and cannot give professional advice or recommendations. We are not engaged in rendering any investment or other professional advice. If you want investment advice, seek a licensed or registered independent investment advisor.

FXPREMIERE.COM IS STRICTLY AN EDUCATION SERVICES SITE IN THE FINANCIAL INDUSTRY.

There are no representations of potential earnings by us or by you. Only those persons financially prepared should invest. Any and all trades posted in private or public, of any kind, should be viewed as hypothetical paper trades and without merit; and if they were accurate, they may never be able to be duplicated in the future.

Your attempt to duplicate any posted trades may be hindered by the inherent delay in receiving a post AND executing that post, market liquidity, AND your own trading issues, including, but not limited to slippage, commissions, trading software, internet outages, psychological factors. The information contained in this site or any service or product we may provide in the future has been obtained from sources believed to be reliable, however, there is no guarantee to its accuracy or its completeness.
